Navigate to Assign Ledger to User

1. Settings and Actions → Setup and Maintenance → General Ledger
2. **Click** Manage Data Access Set Data Access for Users
3. **Click** create and enter user name, Role, Security Context, Security Context Value
4. **Click** save and close, done

The screenshot shows the Vision Financials Setup: Financials page. The 'Functional Areas' list on the left has 'General Ledger' highlighted with a red box. The 'General Ledger' task list on the right has 'Manage Ledger Data Access for Users' highlighted with a red box. The 'Scope' for this task is 'CF_Primary Led...'. The 'Search Tasks' field contains '%man%data%acc%'. The 'View' dropdown is set to 'All Tasks'.

The screenshot shows the Vision Manage Data Access for Users page. The 'Users without Data Access' radio button is selected. The 'Security Context' is set to 'Ledger'. The 'User Name' and 'Role' fields are empty. The 'Search' button is highlighted with a red box. The 'Search Results' section shows 'No data to display' and 'Columns Hidden 5'. The 'Actions' dropdown is set to 'View'.

Columns Hidden 5

Navigate to Open First Period

1. Settings and Actions → Setup and Maintenance → General Ledger
2. Click Open First Period
3. choose accounting period (first period)
4. Click submit

The screenshot shows the Oracle Vision interface for 'Setup: Financials'. On the left, under 'Functional Areas', the 'General Ledger' item is highlighted with a red box. On the right, under 'General Ledger', the 'Open First Period' task is highlighted with a red box. The 'Scope' for this task is 'CF_Primary Led...'. The 'Search Tasks' field contains '%open%'. The 'Columns Hidden' count is 4.

The screenshot shows the 'Open First Period' submission page. At the top, there is a status message: 'This process will be queued up for submission at position 1'. Below this, the 'Open First Period' section contains fields for 'Name' (Open General Ledger Periods), 'Description' (Opens or reopens Oracle Fusion General Ledger p...), 'Schedule' (As soon as possible), and a 'Submission Notes' field. There is also a checkbox for 'Notify me when this process ends'. The 'Basic Options' section contains parameters: 'Data Access Set' (ZOOM EG), 'Ledger or Ledger Set' (ZOOM EG), and 'Accounting Period' (13_Dec-25). The 'Accounting Period' dropdown is highlighted with a red box. At the top right, there are buttons for 'Process Options', 'Advanced', 'Submit' (highlighted with a red box), and 'Cancel'.
